

Funny Fashion

Play a crazy dress up game!

What You Need:

- 18" dolls
- 18" doll clothing
- Brown bags

What You Do:

1.

Have each girl bring a doll and several clothing items. TIP: Make sure each girl puts her initials on the clothing labels to help sort what belongs to who later!

2.

Separate clothing into bags. Assign a different bag for each clothing type or combine categories, like dresses and tops or pants and skirts. To get some really funky outfits, put all the clothing into one big bag!

I've never inline skated with a gown on before!

Olivia, I think you have on my tutu! We both look funny!

3.

Each girl picks out up to 6 different items and dresses her doll using everything she's selected. See who creates the craziest outfit!
